I certify that the above information is correct as of this date, and agree to give prompt written notice of any change to the Pi Alley Parking Garage. I agree that I have read, understand and will fully comply with the Terms and Conditions on the second page of this Application Form, and any Rules and Regulations for the Garage, which may be in effect from time to time. If I have listed a credit card account number above, I hereby authorize Operator to charge the credit card indicated in the amount of the Withdrawal Amount each time the outstanding balance in my Debit account is equal to or less than 200% of the Maximum Daily Rate per card on the account, or a higher limit if my usage requires. To cancel this automatic credit card withdrawal, I shall notify the Operator in writing, and understand the remaining balance may be used for up to 12 months but is not refundable.

The Pi Value Card

Terms and Conditions

- 1. Parking Rights.** The purchase of a Pi Value Card grants the Pi Value Card Holder a license to park at the Pi Alley Garage, conditioned on the timely payment of parking fees and any additional charges that may be due, and compliance with these Rules and Regulations, as amended from time to time.
- 2. Pi Value Card Application.** The Pi Value Card Holder must complete and deliver to Operator a "Pi Value Card Application" (copy on reverse) to obtain parking privileges. If the information supplied should change, or if Operator should modify the Pi Value Card Application, the Pi Value Card Holder must promptly submit a new Pi Value Card Application.
- 3. Pi Value Card.** The Pi Value Card is a prepaid parking program allowing access to and from the Garage. The Pi Value Card will be issued upon the applicant's (i) submission of a completed Pi Value Card Application, and (ii) payment of the initial prepaid parking fee. The Pi Value Card may be used only in accordance with these Rules and Regulations, and at all times remains the property of Operator.
- 4. Payments.** The Pi Value Card ("Tag") is a value card used for parking at the Pi Alley Garage. Upon each payment made by the Tag Holder, or in the case of a Corporate Account, each payment made on behalf of the Tag Holder(s) using a Corporate Account, Pi Alley Garage (the "Corporation") will credit the Tag holder's account or the Corporate Account, as applicable, by that amount. Payments to the account have value only towards parking and are not refundable. All payments will be by automatic credit card withdrawal unless prior written approval is granted by Operator. A \$10.00 charge will be assessed for any automatic credit card payment that is denied.
- 5. Parking.** The Tag holder shall present a Tag upon entering and exiting the Garage, and the Corporation shall deduct the appropriate parking charges from the Tag holder's account or the Corporate Account, as applicable. The parking charges applicable to the Tag holder shall be those charges applicable to the general public as posted on the rate signs less any discount in effect at the time, except that the maximum parking charges payable by the Tag holder for the use of the Garage during any one day (5am to 5am) (regardless of the number of entries and exits) shall be the posted maximum daily amount charged to the general public from time to time ("Maximum Daily Rate"). Any discounted rate in effect will be posted at the entrance and/or on the web site. The Tag cannot be used in conjunction with other discounts or discount coupons. If the Tag holder has authorized the Operator to make automatic credit card withdrawals, such withdrawals shall be made in accordance with the provisions of this Information Form and these Terms and Conditions. The Tag holder agrees to use the Garage in a safe and lawful manner and in accordance with any rules and regulations issued by the Corporation. In no event will the Corporation be responsible for any losses or damages incurred by any party by any reason of a Tag holder's inability to use the Garage. The Tag holder is required to use the Tag to enter and exit the garage. Tag holders who take a ticket at the entrance will be required to pay the undiscounted daily parking rate at the exit. It is the responsibility of the Tag holder to update their billing information and monitor their balance on the readers to ensure funds are available for parking fees.
- 6. License to Park.** Timely payment of parking fees shall grant to the Tag holder a license to park in the Garage; no bailment relationship shall be created. Neither the Corporation nor the Operator shall be responsible or liable for damage to or theft of any vehicle or its contents while located in the Garage, or for injuries suffered by any person while using the Garage.
- 7. Lost Tags.** If a Tag is lost or stolen, the Tag holder shall immediately notify the Operator via phone or email during regular office hours so the Tag may be deactivated to prevent re-use; prior to receipt of notification, the Tag holder will be solely responsible for any unauthorized use of a Tag. A lost, stolen or damaged Tag will be replaced promptly upon notification and payment to the Operator of a replacement fee established from time to time by the Corporation. All Cards shall remain the property of the Corporation.
- 8. Expiration, Termination.** If a Tag holder makes or authorizes no payment to its account for one year, or if no payment is made or authorized to a Corporate Account for one year, or the Tag is not used for parking for one year, the Tag shall expire. No refunds of an unused Credit Amount shall be available at any time, except as provided in the next sentence. The Corporation may terminate the Tag at any time upon thirty (30) days notice to the Tag holder, and promptly after surrender of the Tag, a Tag holder having its own account and not a Corporate Account, shall be entitled to a refund in the amount of the unused Credit Amount at the time of the Tag holder's most recent payment; provided, however, that any payment made by way of an automatic credit card withdrawal, or any Credit Amount resulting from an automatic credit card withdrawal, shall not be refundable or redeemable, and shall only be applied as payment to the Corporation for parking charges incurred by the Tag holder for use of the Garage. In addition, the Corporation may terminate the Tag immediately without notice in the event that the Tag holder fails to comply with any of these Terms and Conditions, or if in the sole discretion of the Operator the Tag holder's use of the facility is improper.
- 9. No Assignment.** The Tag holder may not assign, transfer or sell the Tag or any parking privileges associated therewith.
- 10. Use of the Garage.** Operator may establish operating rules relating to proper use of the Garage. A Pi Value Card Holder must comply with such operating rules, these Rules and Regulations and other applicable laws and regulations, and shall follow safe driving practices at all times while in the Garage.
- 11. No Commercial Use.** The Pi Value Card may be used only to park a passenger car, van or light truck having a maximum height no greater than the maximum height posted and of such length and width such that it fits within a conventional parking space. The Garage may not be used for parking commercial vehicles or as a staging area for commercial transportation, delivery or other services, except with Operator's prior written consent.
- 12. No Storage, Abandonment.** The Garage may not be used for storage of vehicles or other equipment. The Tag holder must notify the Operator prior to leaving the vehicle in for more than two days to verify sufficient funds are available to exit. Any vehicle or equipment remaining in the Garage for more than thirty (30) calendar days shall be deemed abandoned and may be removed from the Garage, in which event neither Operator nor the Garage owner shall have any liability to any person for loss or damage on account of such removal. All costs incurred in removing and storing any such abandoned vehicle or equipment shall be reimbursed by the Tag holder upon being billed therefore by Operator.

I certify that I have read and understand the above listed terms and conditions for the Pi Value Card.
